**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Major telecom companies have not been able to deliver reliable services to my home. Now I have fiber access that enables my home business to function. Competition is essential for getting fast internet into neglected markets. Unfortunately most of the US seems to be falling in that category, so more local competition can only help consumers and Americans
